Newington Got Talent Update:

Debriefing: Tuesday June 14

Boy Scouts: Did a GREAT job.

High School Diversity Program: Training for students and staff took place May 9, 2011 for 3 hour program on May 16, 2011 for sophomores and juniors.

Booth: Ken will take care of applying for a booth.

Tree: Theresa will contact Stonehedge Landscaping to inquire about having a tree donated.

Need to come up with a question.

Things we learned from last year: We would need more people. Maybe reaching out to the kids on Youth Adult Council to help, maybe walking around with a clipboard having kids answer the question (all depends on the temperature)
