

## CONSTRUCTION NOTICE

### Sanitary Sewer Pipe Lining and Repairs

#### Wethersfield, Rocky Hill & Newington Subarea

Beginning **Monday, June 29th**, the Metropolitan District (MDC) and their Contractor, **Allstate Power Vac** with their subcontractor, **National Water Main Cleaning Company (NWMCC)** will be working in your neighborhood to begin the repairs and rehabilitation of the sanitary sewers. The work includes repairing sewer pipes using a Cured-In-Place (CIPP) or “No-Dig” method, repairing sewer manholes, replacing manhole frames and covers, and sewer pipe point repairs. Pre-construction video documentation will be taken of the streets and work areas prior to the contractor mobilizing to the site. Enclosed are FAQ sheets to provide you with additional information on the methods of repairs, and a map of the general work areas.

**See work sites map on the back of this notice.**

General Work Hours will be from **7:30 AM** until **5:00 PM**.

Schedules are subject to change based on weather conditions and unforeseen construction activities. MDC Staff, Contractors, and Consultants must be properly identified and show ID upon request.

---

If you have any questions or concerns, please contact:

**Chris Coyle, Field Engineer at (860) 416-2629**  
[coylecd@cdmsmith.com](mailto:coylecd@cdmsmith.com)

After hours, please contact the **MDC Command Center** at (860) 278-7850 ext. 3600

***As always we appreciate your patience and cooperation.***
