The MDC and their contractor, Baltazar Constructors, Inc., will resume project work on April 1, 2019. This will continue the planned sanitary sewer and water main installation. The project will extend from Veterans Drive to Cedar Street on Willard Avenue and from Mill Brook to Old Farm Drive on Cedar Street.

Please join us on March 27th for a project meeting to learn about the work planned for your neighborhood. We anticipate some night work beginning April 15th.

Our goal is to keep you informed and work with you throughout the construction process. Your participation and cooperation will allow us to stay on schedule and minimize disruption to your daily activities.

We look forward to seeing you there.
