

After Lunch Bunch!

Wednesdays at 1:00 P.M.

Children's Program Room

Children entering grades K - 2 are invited to create, learn, and build with us each week.
No registration unless noted.

- July 10 **Builders' Club:** Let's build with Lego® bricks and Keva planks.
- July 17 **Fun Day, Wind Day:** We'll first play a group game, then you'll complete windy day crafts.
- July 24 **Twinkle Twinkle Massive Star:** Learn about our Sun and constellations. Create your own constellation and star lifecycle spinner. **Registration begins July 10.**
- July 31 **Moon Rock Madness:** We will make moon dough and decorate it with "space junk" for our very own moon rocks.
- August 7 **Alien Crafts:** Aliens have invaded the library! Listen to a story, create your own alien, and make some "out of this world" crafts.
- August 14 **Spaced Out!** We will make glowing space dough and marshmallow constellations.
