Can you imagine having a magic pot that would cook as much pasta as you could ever want? That's what Strega Nona has. She tells Big Anthony to stay away from her special pot. Does Big Anthony listen? To find out what happens to the magic pot and Big Anthony read *Strega Nona* written and illustrated by Tomie dePaola. After reading, choose an activity (or two) for added fun.

1. WATCH and LISTEN to the magical story of *Strega Nona* by Tomie dePaola.

2. Choose an activity (or two) from the list below:

— PASTA ART creation.

Make a picture using crayons or markers, glue, and (of course) pasta. You can even dye the pasta first. You will need approval from your grown-up and a couple of days to dye the pasta.

— MAGIC of your own.

Create your own magic and demonstrate for your family. You don't have a good magic trick to show? Watch MIND BLOWN MAGIC ILLUSIONS at <https://www.youtube.com/watch?v=ifjClq2-DSU> for some simple magic tricks. (You do not have to subscribe!)

— ANIMAL assistance.

Big Anthony took good care of Strega Nona's goat. You can help take care of your family pet. If you don't have a pet make a bird feeder and hang it on a tree outside.

— COOK a pasta dinner.

Helping your parents in the kitchen can be exciting. With a grown-up's help make a delicious pasta dinner to share with the entire family.
